[Verse 1]

	G	G/B	Cadd9	G
Met a man wearin' a t-shirt, said "Virginia is for lovers"

Had a bible in his left hand and a bottle in the other				
	G	G/B	Cadd9	G
He said "all you're really given is the sunshine and your name"

We both started laughin' when the sky started to rain				

[Chorus 1]

	G	G/B	Cadd9	G
Get along on down the road, we've got a long, long way to go				
	Em7	D	C	G
Scared to live, scared to die, we ain't perfect but we try				
	G	G/B	Cadd9	G
Get along while we can, always give love the upper hand				
	Em7	D	C	G
Paint a wall, learn to dance, call your mom, buy a boat				
	G	D	Cadd9	G
Drink a beer, sing a song, make a friend, can't we all, get along?				
G G/B Cadd9 G				

[Verse 2]

	G	G/B	Cadd9	G
Saw a model on a billboard, 1-800-get-to-know-me				
	G	G/B	Cadd9	G
Wonderin' was she photoshopped or were her eyes really that lonely?				
	G	G/B	Cadd9	G
Did she leave her hometown thinkin' she'd end up in L.A.?				

G G/B Cadd9 G
Did she break down in the desert and get stuck beside the highway?
