

You Should Probably Leave by Chris Stapleton

[Verse]

F#m            A            D            A                            F#m            A            D            A  
I know it ain't... all that late, but you should probably leave  
F#m            A            D            A                            F#m            A            D            A  
I recognize that look in your eyes, and you should probably leave

[Chorus]

          E            F#m            D            A  
'Cause I know you, and you know me  
          E            F#m                            D            A  
And we both know where this is gonna lead  
          E            F#m            D            A                            F#m            A  
D    A  
And you want me to say that I want you to stay, so you should probably leave  
                          F#m            A            D            A  
Yeah, you should probably leave

[Verse]

F#m                            A                            D                            A                            F#m            A  
D    A  
There's still time for you to finish your wine, then you should probably  
leave  
          F#m            A                            D                            A                            F#m            A  
D    A  
And it's hard to resist... alright, just one kiss, and you should probably  
leave

[Chorus]

          E            F#m            D            A  
'Cause I know you, and you know me  
          E            F#m                            D            A  
And we both know where this is gonna lead  
          E            F#m            D            A                            F#m            A  
D    A  
And you want me to say that I want you to stay, so you should probably leave  
                          F#m            A            D            A  
Yeah, you should probably leave

[Bridge]

          D                            Dmaj7/C#                            Bm7                            Dmaj7/C#    D  
Like a devil on the shoulder, you been whisperin'... in... my... ear  
          D                            Dmaj7/C#    Bm7                            Dmaj7/C#            E    Aadd9/C#  
And it's getting' kinda hard for me to do the right thing here  
          E

I wanna do the right thing baby

[Break/Solo]

F#m A D A F#m A D A x2

[Verse]

F#m A D A F#m A D A  
The sun on your skin at 6 am, and I been watchin' you sleep  
F#m A D A F#m A  
D A

Honey, I'm so afraid your gonna wake up and say that you should probably leave

[Chorus]

E F#m D A  
'Cause I know you, and you know me  
E F#m D A  
And we both know where this is gonna lead  
E F#m D A F#m A  
D A  
I want you to stay but you'll probably say that you should probably leave  
F#m A D A  
Yeah, you should probably leave  
F#m A D A

Oh, you should probably leave

F#m A D A
