

## "The Bluest Eyes In Texas" by Restless Heart

Intro: D

A D  
That lonesome Texas sun is setting soon  
A D  
And in the rear view mirror I watched it bloom  
Bm F#m E A E  
I can still see the wind in her golden hair  
Bm F#m D  
I close my eyes for a moment, I'm still there.

Chorus:

E F#m E D  
The bluest eyes in Texas are haunting me tonight  
E F#m E D  
Like the stars that fill the midnight sky her memory fills my mind  
A F#m E D  
(where did I go wrong) did I wait too long or can I make it right  
A F#m E D  
The bluest eyes in Texas are haunting me tonight.

A D  
Another town another hotel room  
A D  
Another dream that ended way too soon  
Bm F#m E A E  
Left me lonely praying before the dawn  
Bm F#m D  
Searching for the strength to carry on.

chorus

Bm F#m E A E  
For every heart you break you pay a price  
Bm F#m D  
But I can't forget the tears in her blue eyes

(repeat chorus to end)
