[Verse 1]
C
I've been down the Mississippi,
Down through New Orleans,
Yes, I have.
     F
I've played in California,
                              C
There ain't too much I haven't seen.
No, there ain't.
            G
Well, I'm a ramblin' man,
          G7
Don't fool around with a ramblin' man.

[Verse 2]
     F
Left a girl in West Virginia,
                              C
Up there where that green grass grows,
Yes, I did.
     F
Another girl in Cincinnati,
                         C
Waitin' where the Ohio River flows,
Poor girl!
       G
I'm a ramblin' man,
            G7   C
Don't give your heart to a ramblin' man.

[Chorus]
            F

```
You'd better move away,
                                       C
You're standin' too close to the flame.
         F
Once I mess with your mind,
                                  C
Your little heart won't beat the same.
              G
Lord, I'm a ramblin' man,
            G7                           C
Don't mess around with any ol' ramblin' man.
Better not!

[Verse 3]
       F
Well, up in Chicago,
                     C
I was known as "Quiet Boy,"
Yes, I was!
     F
Down in Alabama,
                         C
They call me "The man of joy,"
Still do!
            G
Well, I'm a ramblin' man,
              G7                    C
Don't fall in love with a ramblin' man

[Chorus]
               F
You'd better move away,
                                       C
You're standin' too close to the flame.
        F
Once I mess with your mind,
                                  C
Your little heart won't beat the same.
              G
Lord, I'm a ramblin' man,
            G7                           C
Don't mess around with any ol' ramblin' man.
Better not!
