Angel Flying Too Close To The Ground by Willie Nelson

[Verse 1]
```
A                  C#m
If you had not have fallen
D                      A
Then I would not have found you
D         E               A      E
Angel flying too close to the ground
```

[Verse 2]
```
A               C#m        D                    A
I patched up your broken wing and hung around for a while
B7                           E
Trying to keep your spirits up and your fever down
```

[Verse 3]
```
A              C#m                   D
I knew someday that you would fly away
    B7                            E
For love's the greatest healer to be found
```

[Chorus]
```
   A             C#m      D          D#dim
So leave me if you need to I will still remember
A             E         A       E
Angel flying too close to the ground
```

[Verse 4]
```
A         C#m                 D
Fly on  fly on past the speed of sound
B7                               E
I'd rather see you up than see you down
```

[Chorus]
```
A                 C#m      D          D#dim
So leave me if you need to I will still remember
A             E         A       E
Angel flying too close to the ground
A                 C#m      D          D#dim
So leave me if you need to I will still remember
A             E         D      A
Angel flying too close to the ground
```
