Revival by Zach Bryan

[Verse 1]
Em   G   C   G
Gather round this table, boys
Em   G   C   G
Bring your shame, I'll lose my voice
Em   G   C   G
Screaming at the gods 'bout the bad we've done
       Em   G   C   G
Merle said Mama tried but the prison still won

Em   G   C   G
Your transgressions are mine as well
       Em   G   C   G
Anger grows in my bones if you could not tell
     Em   G   C   G
But I'll find comfort in company
Em   G   C   G
Lord forgive us, my boys and me

[Chorus]
                Em G   C   G
We're having an all night revival
Em   G   C   G
Someone call the women and someone steal the bible
        Em   G   C   G
For the sake of my survival
Em   G   C   G
Baptize me in a bottle of Beam and put Johnny on the vinyl

[Interlude]
Em G C G x2

[Verse 2]
         Em   G   C   G
Well, the devil can scrap but the lord has won
         Em   G   C   G
And I'll talk to him on the rising sun
   Em   G   C   G
His son rose and mine did too
      Em   G   C   G
I was coming down but now I'm talking to you

[Chorus]
                Em G   C   G

```
