[Verse 1]
          D   G
Daddy, I'm afraid, won't you stay a little while?
        D   Asus4 A
Keep me safe 'cause there's monsters right outside
                      D   G
Daddy, please don't go, I don't wanna be alone
            D   Asus4 A
'Cause the second that you're gone they're gonna know

Before he went to bed he grabbed my hand and said

[Chorus]

Just 'cause I'm leavin'

And you can't see me in the middle of the night

Just close your eyes and say a prayer
        Bm   A   D
It's okay, I know you're scared when I'm not here
          G   A
But I'll always be right there

Even though I'm leavin', I ain't goin' nowhere

He's got a big old plane that's gonna take me far away
              D   G

Before I left, he hugged my neck and said
