

Primary Notes On The B String

In this lesson, we'll map out the primary notes on the B string of the guitar: B, C, D, E, F, G, and A.

Do This...

Pick up your guitar for this next part, follow the steps below and physically find each note along with us.

- We start with the open B string and will find another B note at the 12th fret.
- There are no sharps between B and C, so we can deduce that the 1st fret is a C
- Skip a fret and we'll find a D on the 3rd fret
- Skip a fret to find the E on the 5th fret
- There are no sharps between E and F, so we can deduce that the 6th fret is F
- Skip a fret and G is found on the 8th
- Skip and fret and find an A note on the 10th
- Skip another fret and we're on the 12th fret- all done!
