Eb7 D7

A7

Well you know when I'm lonely, bring my woman, set her right down here by my side.

D7

A7

Well you know there should be no law, on people that want to smoke a little dope.

D7

A7

Well you know there should be no law, on people that want to smoke a little dope.

E7

Eb7 D7

A7

Well you know it's good for your head and it relax your body don't you know.

D7

A7

Everytime I get high I lay my head down on my baby's breast.

D7

A7

Well you know I lay down be quiet, tryin' to take my rest.

E7

Eb7 D7

A7

Well you know she done hug and kiss me, says Muddy your one man that I love the best.

D7

A7

I'm gonna get high, gonna get high just as sure as you know my name.

D7

A7

Y'know I'm gonna get so high this morning, it's going to be a cryin' shame.

E7

Eb7

Well you know I'm gonna stick with my reefer.

D7

A7

Ain't gonna be messin' round with no cocaine.
