

Baby Please Don't Go by Muddy Waters

[Verse 1]

G  
Baby Please Don't Go

G                                  G7  
Baby Please Don't Go

G7  
Baby Please Don't Go, down to New Orleans

                                D7                  G  
You Know I Love You So

[Verse 2]

G  
Before I be your dog

G                                  G7  
Before I be your dog

G7  
Before I be your dog, I get you way'd out here,

                                D7          G  
and let you walk alone

[Verse 3]

G  
Turn your lamp down low

G                                  G7  
Turn your lamp down low

G7  
Turn your lamp down low, I beg you all night long

                                D7                  G  
Baby, please don't go

[Verse 4]

G

You brought me way down here

G

G7

You brought me way down here

G7

You brought me way down here, down to Rolling Fork

D7

G

You treat me like I'm a dog
