

Hold My Hand - Hootie and the Blowfish

Tempo: NA

Note: This one came out really weird due to extra vocals from the band, but it'll work. Just realize it's basically all B - E and then it gets reversed after throwing an F# in there. It's much easier than it seems. Just practice it a little and you'll get the feel for it. There's only three chords.

Strumming Pattern: DUD, D, DD, DU

Intro: B - E (repeat over and over)

Verse:

 B E
With a little love
and some tenderness
we'll walk upon the water
we'll rise above the mist
With a little peace
And some harmony
we'll take the world together
We'll take them by the hand
 F# E B
Cause, I got a hand for you
Cause, I wanna run with you,
 Oh yes indeed!

Verse:

 (E) B E
I saw you standing there
Your hair was down, your eyes were red
No comb had touched your hair
I said "Get up,
And let me see you smile
We'll take a walk together
We'll take a walk a while"

Chorus:

 F# E B
Cause, I got a hand for you - I got a hand for you
 I wanna run with you - won't you let me run with you

 B E F#
hold my hand - want you to hold my hand
hold my hand - I'll take you to a place where you can be
hold my hand - anything you wanna be cause
E
I wanna love you the best that, the best that I can

B - E (repeat a few times)

Verse:

 B E
See I was wasted
and I was wasting time
Till I thought about your problems
I thought about your crimes
Then I stood up,
and I screamed aloud

"Don't wanna be part of your problems
Don't wanna be part of your crimes"

Chorus:

	F#	E	B	
Cause, I gotta hand for you	-	I got a hand for you		
I wanna run with you		- won't you let me run with you		
B	E	F#		
hold my hand		- want you to hold my hand		
hold my hand		- I will take you to the promised land		
hold my hand		- Baby we can't change the world but,		
E				
I wanna love you, the best that, the best that I can				

(repeat the theme over and over of B - E and end on E)
