

# COLLIDE - Howie Day

Capo - 4th fret

Verse and Chorus:

	G	Dadd4	Em7	Cadd9
e	-----3-----3-----3-----3-----			
B	-----3-----3-----3-----3-----			
G	-----0-----0-----0-----0-----			
D	-----0-----0-----2-----2-----			
A	-----2-----0-----2-----3-----			
E	-----3-----2-----0-----x-----			

Bridge:

	Em	C	D
e	-----3-----2-----		
B	-----3-----1-----3-----		
G	-----0-----0-----2-----		
D	-----2-----2-----0-----		
A	-----2-----3-----0-----		
E	-----0-----x-----x-----		

Verse:

G	Dadd4	Em7	Cadd9
The dawn is breaking, a light shining through			
G <th>Dadd4</th> <th>Em7</th> <th>Cadd9</th>	Dadd4	Em7	Cadd9
You're barely waking, and I'm tangled up in you			

(Yeah)

G	Dadd4	Em7	Cadd9

Verse:

G	Dadd4	Em7	Cadd9
I'm open, you're closed. I follow your ghost.			
G <th>Dadd4</th> <th>Em7</th> <th>Cadd9</th>	Dadd4	Em7	Cadd9
I worry I won't see your face, light up again			

Chorus:

G	Dadd4		
Even the best fall down sometimes			
Em7	Cadd9		
Even the wrong words seem to rhyme			
G	Dadd4		
Out of the doubt that fills my mind			
Em7	Cadd9		
I somehow find, you and I collide			
G	Dadd4	Em7	Cadd9

Verse:

G                      Dadd4                      Em7                      Cadd9  
I'm quiet you know, you make a first impression  
G                      Dadd4                      Em7                      Cadd9  
I've found I'm scared to know I'm always on your mind

Chorus:

                    G                      Dadd4  
Even the best fall down sometimes  
                    Em7                      Cadd9  
Even the stars refuse to shine  
                    G                      Dadd4  
Out of the back you fall in time  
                    Em7                      Cadd9  
I somehow find, you and I collide

Bridge:

Em              C              D                      Em  
                    Don't stop here  
                    C              D              Em  
                    I lost my place  
                    C              D  
                    I'm close behind.....

G                      Dadd4                      Em7                      Cadd9

Chorus:

                    G                      Dadd4  
Even the best fall down sometimes  
                    G                      Dadd4  
Even the wrong words seem to rhyme  
                    G                      Dadd4  
Out of the doubt that fills my mind  
                    G                      Dadd4  
I somehow find, you and I collide
