Intro: G - F - C

G F C
Listen, boy, I don't want to see you let a good thing slip away
G F C
You know I don't like watching anybody make the same mistakes I made
G F C
She's a real nice girl and she's always there for you

G F C
 But a nice girl wouldn't tell you what you should do
 G F C
 Oh, listen, boy, I'm sure that you think you got it all under control
 G F C
 You don't want somebody telling you the way to stay in someone's soul
 G F C
 You're a big boy now and you'll never let her go
 G F C
 But that's just the kind of thing she ought to know

Chorus:

D F#m
 Tell her about it, tell her everything you feel
 Bm Em A
 Give her every reason to accept that you're for real
 D F#m
 Tell her about it, tell her all your crazy dreams
 Bm E A
 Let her know you need her, let her know how much she means

(G – F – C)

G F C
 Listen, boy, it's not automatically a certain guarantee
 G F C
 To insure yourself you've got to provide communication constantly
 G F C
 When you love someone you're always insecure
 G F C
 And there's only one good way to reassure

Chorus:

D F#m
 Tell her about it, let her know how much you care
 Bm Em A
 When she can't be with you tell her you wish you were there

D F#m
Tell her about it every day before you leave
Bm Em A
Pay her some attention, give her something to believe

Bridge:

F Dm Eb
'Cuz now and then she'll get to worrying
Gm C D
Just because you haven't spoken for so long
F Dm Eb
Though you may not have done anything
Gm C A
Will that be a consolation when she's gone?

(G – F – C)

G F C
Listen, boy, it's good information from a man who's made mistakes
G F C
Just a word or two that she gets from you could be the difference that it makes
G F C
She's a trusting soul, she's put her trust in you
G F C
But a girl like that won't tell you what you should do

Chorus:

D F#m
Tell her about it, tell her everything you feel
Bm Em A
Give her every reason to accept that you're for real
D F#m
Tell her about it, tell her all your crazy dreams
Bm E A
Let her know you need her, let her know how much she means

(G – F – C over and over then end on G)
