

Kiss - Prince

Tempo: 100 to 105 BPM is safe.

Strumming Pattern: D, DD, D

Sorry about all the 2's but I HAD to give Prince some props – gotta love him! FUNK THIS ONE UP!
Remember – don't scream until you're ready. I always have to stick to falsetto so that I don't lose my voice during these performances. As far as the strumming, try to hit the lower note for each power chord once or twice and then just go from there.
