

## Born To Run

E ///A/B/ 2x

[Verse]

E A B  
In the day we sweat it out on the streets of a runaway American Dream  
E A B  
At night we ride through mansions of Glory in suicide machines  
A E A B  
Sprung from cages on Highway Nine Chrome wheeled fuel injected and steppin out over the  
A E A B  
line baby this town rips the bones from your back its a death trap, its a suicide rap I  
wanna  
A F#m A B  
get out while I'm still young, cause tramps like us, baby we were born to  
E  
run (repeat intro strummed)

[Verse]

E A B  
Well Wendy let me in I wanna be your friend I wanna guard your dreams and visions  
E A B  
so just wrap your legs round these velvet rims and strap your hands cross my engines  
A E A B  
and to-gether we could break this trap, gonna run till we drop and baby we'll never look  
A E A B  
back, walk with me out on the wire girl I'm just a scared and lonely rider but  
A F#m A B  
I gotta find out how it feels, I gotta know if love is wild and I wanna know if love is  
E  
real (repeat intro strummed)

[Bridge]

D F#m  
Beyond the palace, hemi-powered drones scream down the boulevard  
A F#m B  
Girls comb their hair in rear view mirrors and the boys try to look so hard  
D F#m  
the amusement park rises bold and stark as kids are huddled on the beach in the mist  
A F#m B  
Well I wanna die with you Wendy on the street tonight in an everlasting kiss

[Verse]

E A B  
Well the highways jammed with broken heroes on a last chance power drive,  
E A B  
everybody's out on the run tonight and there's no place left to hide

Born To Run

A E A B  
To-gether wendy we'll live with the sadness, I love you with all the madness in my  
A E A B  
soul someday girl I don't know when we'll get to that place we really wanna  
A F#m A B  
go and we'll walk in the sun, til then tramps like us, baby we were born to  
E
