[Verse 1]

C
They sat together in the park
Cmaj7
As the evening sky grew dark
C7

Tingle to his bones

C G F
And wished that he'd gone straight
C G C
And watched out for a simple twist of fate

[Verse 2]

C
They walked along by the old canal
Cmaj7
A little confused, I remember well
C7
And stopped into a strange hotel
F
With a neon burning bright
Fm
He felt the heat of the night
C G F
Hit him like a freight train
C G C
Moving with a simple twist of fate

[Verse 3]

C
A saxophone someplace far off played
Cmaj7
As she was walking on by the arcade
C7

F

As the light bust through a beat-up shade
 F
 Where he was waking up
 Fm
 She dropped a coin into the cup
 C G F
 Of a blind man at the gate
 C G C
 And forgot about his simple twist of fate

[Verse 4]

C
 He woke up, the room was bare
 Cmaj7
 He didn't see her anywhere

 He told himself he didn't care
 F
 Pushed the window open wide
 Fm
 Felt an emptiness inside
 C G F
 To which he just could not relate
 C G C
 Brought on by a simple twist of fate

[Verse 5]

C
 He hears the ticking of the clocks
 Cmaj7
 And walks along with a parrot that talks
 C7
 Hunts her down by the waterfront docks
 F
 Where the sailors all come in

 Maybe she'll pick him out again
 C G F
 How long must he wait
 C G C
 One more time for a simple twist of fate

People tell me its a sin

To know and feel too much within

I still believe she was my twin

Blame it on a simple twist of fate
