## [Verse 1]

```
      D                      Bm                      F#m
Words are flowing out like endless rain into a paper cup
      Em7                      A                      A7
They slither wildly as they slip away across the universe
      D                      Bm                      F#m
Pools of sorrow, waves of joy are drifting through my opened mind
      Em7                      Gm
Possessing and caressing me
```

## [Chorus]
