

Needle And The Spoon by Lynyrd Skynyrd

D C  
30 days Lord and 30 nights  
G C D  
I've come home on a airplane flight  
D C  
While I'm waiting at the ticket line  
G C D  
Tell me son why do you stand there cryin'

chorus: D C  
Cause the needle and the spoon  
G C  
Took a trip to the moon  
D  
Took me away ay ay

I've been feelin so sick inside  
Got to git better Lord before I die  
Southern darkness couldn't help my head  
Said, you better quit son before your dead

chorus

I've seen alot of people who thought they were cool  
But, then again Lord I've seen alot of fools  
I hope you people can hear what I say  
You'll get your chance to hit it some day
