

# You Got That Right – Lynyrd Skynyrd

Strumming Pattern: D, U, D, U, D, U, D, U

Chords Used:

Note: Don't adjust your volume. I added some distortion because this song TOTALLY doesn't sound good on a standard acoustic. Not sure it sounded that great with distortion either (through an acoustic) but I did my best. To be honest, I had MORE trouble with this song than any song in the collection. The timing of the original is complex, so I had to fill in spaces with a few rests. However, it is playable in this fashion.
