Twilight Zone by Golden Earring
Capo II*

Bm Em F#m Bm

Somewhere in a lonely hotel room
There's a guy starting to realize
That he's eternal fate has turn it's back on him
It's two A.M.

       Bm
It's two A.M. the fear has gone
          Em
I'm sitting here waiting the gun still warm
F#m   Bm
Maybe my connection is tired of taking chances

                   Bm
Yeah, there's a storm on the loose, sirens in my head
Em
Wrapped up in silence all circuits are dead
F#m   Bm
Cannot decode, my whole life spins into a frenzy

Bm
Help, I'm stepping into the twilight zone
A
This is a madhouse, feels like being home
    G
My beacon's been moved under moon and star
F#
Where am I to go now that I've gone too far?

              G   Em
Soon you will come to know
                         Bm
When the bullet hits the bone
              G   Em
Soon you will come to know
                         Bm
When the bullet hits the bone

      Bm
I'm falling down the spiral destination unknown
Em
Double crossed messenger all alone
F#m   Bm
Can't get no connection, can't get through

Where are you?

          Bm
Well the night weighs heavy on his guilty mind
Em
This far from the borderline
          F#m
When the hit man comes
                           Bm
He knows damn well he has been cheated
