Oh where, oh where can my baby be? The Lord took her away from me.

We were out on a date in my daddy's car. We hadn't driven very far.  
G Em C D  
There in the road, straight ahead ...The car was stalled, the engine was dead.  
G Em C  
I couldn't stop, so I swerved to the right. I'll never forget the  
D  
sound that night.  
G Em C D  
The screaming tires, the busted glass. The painful scream that I  
G (mute as strumming pattern)  
heard last.

G Em C D

When I woke up, the rain was pourin' down. There were people standing

all around.  
G Em C D  
Something warm going through my eyes, but somehow I found my baby that night.  
G Em C  
I lifted her head, she looked at me and said, "Hold me darling for a  
D  
little while."  
G Em C  
I held her close. I kissed her, our last kiss. I found the love that  
D  
I knew I would miss.  
G Em C  
But now she's gone, even though I hold her tight. I lost my love ...  
D G (mute as strumming pattern)  
my life, that night.
