Verse 1

C F C
I ride east every other Friday, and if I had it my way
C G C
My day would not be wasted on this drive.
C F
I want so bad to hold you, but son there's things I haven't told you
C F G
Your mom and me couldn't get along

Chorus

G C F G C F
So I drive, and I think about my life, and wonder why, that I slowly die inside
C F G
Every time I turn that truck around, right at the Georgia line
C F G
and I count the days, and the miles back home to you, on that Highway 20 ride.

Verse 2

C F C
A day might come you'll realize, that if you see through my eyes
G C
There was no other way to work it out
F C
and a part of you might hate me, but son please don't mistake me
F G
For a man that didn't care at all.

Chorus

(Instrumental - C F C, C G - hold)

Outro Verse/Chorus

C F G
So when you drive, and the years go flying by.
C F G
I hope you'll smile, if I ever cross your mind
F G F G
It was the pleasure of my life, and I cherished every time
C F
And my whole world, it begins and ends with you
G C
On that Highway 20 Ride.
