

Patience by Guns N Roses

C
Shed a tear cause I'm missing you
G
I'm still alright to smile
A D
Girl I think about you every day now

C
Was a time when I wasn't sure
G
But you set my mind at ease
A D
There is no doubt, you're in my heart now

C G
Said woman take it slow
C Em
It will work itself out fine
C G D
All we need is just a little patience

C G
Said sugar make it slow and
C Em
We'll come together fine
C G D
All we need is just a little patience

Sit here on the stairs
Cause I'd rather be alone
If I can't have you right now
I'll wait dear

Sometimes I get so tense
But I can't speed up the time
You know love, there's one more thing
To consider

Said woman take it slow
And things will be just fine
You and I'll just use a little patience

Said sugar take the time
Cause the lights are shining bright
You and I got what it takes to make it

D
We won't fake it
D
Ahh and never break it
D
Cause I can't take it

G
I've been walking the streets at night
C
Just trying to get it right
G
It's hard to see with so many around
C
you know I don't like being stuck in a crowd
G
And the streets don't change but maybe the name
C
I ain't got time for the game
G
Cause I need you
C
Yeah Yeah cause I need you
G
Uh I need you
C
Woh I need you
