

On The Turning Away - Pink Floyd

Pattern: D, D, DU

(Acapella)

On the turning away
 From the pale and downtrodden
 And the words they say
 Which we won't understand
 Don't accept that what's happening
 Is just a case of others suffering
 Or you'll find that you're joining in
 The turning away....

(Em)

.....D.....G
 It's a sin that somehow
C.....Em
 Light is changing to shadow
D.....G
 And casting its shroud
C
 Over all we have known
 Em.....C.....G
 Unaware how the ranks have grown
 Em.....G.....C
 Driven on by a heart of stone
G.....C.....Em
 We could find that we're all alone
D.....G
 In the dream of the proud.

Em.....D.....G
 On the wings of the night
C.....Em

As the daytime is slurring

.....D.....G

Where the speechless unite

.....C

In a silent accord

.....G.....C.....Em

Using words you will find are strange

.....G.....Em.....C

And mesmerized as they light the flame

.....G.....C

Feel the new wind of change

.....Em....D....G

On the wings of the night

Em.....D.....G

No more turning away

.....C.....Em

From the weak and the weary

Em.....D.....G

No more turning away

.....C

From the coldness inside

.....G.....C.....Em

Just a world that we all must share

.....G.....Em.....C

It's not enough just to stand and stare

.....G.....C.....Em

Is it only a dream that there'll be

.....D.....G

No more turning away?
