

Here Comes The Sun – The Beatles

Tempo: NA

Strumming Pattern: DD, UU, DU

Note that I included a 1, 2 – 1234 during the chorus. This should help you with the chorus transition. Just count it out in your head and realize that the comma, as always, indicates a slight rest. The 1234 together means quickly, or basically with no rest.

Additional Note: If you want to use your 1st finger to barre the A chord (it comes in quickly) that'll work just fine.
