Intro: E - A (repeat)

Well, I'm sorry for the things that I told you  
 But words only go so far and if I had my way  
 I would reach into heaven  
 And I'd pull down a star for a present  
 And I'd make you a chain out of diamonds  
 And pearls from a summer sea  
 But all I can give you is a kiss in the morning  
 And a sweet apology  
 Well, I know that it hasn't been easy  
 And I haven't always been around  
 To say the right words or to hold you in the mornin'  
 Or to help you when you're down  
 I know I never showed you much of a good time  
 But baby things are gonna change

E F#m7  
 I'm gonna make up for all of the hurt I brought  
 C#m D A  
 I'm gonna love away all your pain  
 E C#m F#m7  
 And tomorrow's gonna be a brighter day  
 B7  
 There's gonna be some changes  
 E C#m F#m7  
 Tomorrow's gonna be a brighter day  
 B7  
 This time you can believe me  
 E A  
 No more cryin' in your lonely room  
 F#m7 D A  
 And no more empty nights  
 E  
 'Cause tomorrow mornin'  
 F#m7 B7 E A (repeat E - A)  
 Everything will turn out right  
 E A  
 Well, there's something that I've got to tell you  
 E A  
 Yes I've got something on my mind  
 E F#m7  
 But words come hard when you're lying in my arms  
 C#m D A  
 And when I'm looking deep into your eyes  
 E A  
 But there's truth and consolation  
 F#m7 D A  
 And what I'm trying to say  
 E F#m7  
 Is that nobody ever had a rainbow baby  
 C#m D A  
 Until he had the rain  
 E C#m F#m7  
 And tomorrow's gonna be a brighter day  
 B7  
 There's gonna be some changes  
 E C#m F#m7  
 Tomorrow's gonna be a brighter day  
 B7  
 This time you can believe me  
 E A  
 No more cryin' in your lonely room  
 F#m7 D A  
 And no more empty nights  
 E  
 'Cause tomorrow mornin'  
 F#m7 B7 E A  
 Everything will turn out right  
 E  
 Yeah tomorrow mornin'  
 F#m7 B7 E  
 Everything will turn out right
