D
I've been around for you

I've been up and down for you
G D-G-D
But I just can't get any relief
(D)
I've swallowed my pride for you
A
I've lived and lied for you
G D-G-D
But you still make me feel like a thief

A
You got me stealing your love away
G D
Cause you never give it
A
Peeling the years away
G D
And we can't relive it
G D
I make you laugh
G D
And you make me cry
A G D-G-A D-G-A
I believe it's time for me to fly

D
You said we'd work it out
A
You said that you had no doubt
G D-G-D D-G-D
That deep down we were really in love
(D)
Oh, but I'm tired of holding on
A
To a feeling I know is gone

I do believe that I've had enough

I've had enough of the falseness
G D
Of a worn out relation
A
Enough of the jealousy
G D
And the intoleration
G D
I make you laugh

G D
And you make me cry

A G D-G-D
I believe it's time for me to fly
