

Subterranean Homesick Blues - Bob Dylan

Capo @ 5th fret

Em / E  
Johnny's in the basement mixing up the medicine,  
I'm on the pavement thinking 'bout the government.  
A man in a trench coat, bad job, laid off,  
Says he's got a bad cough, wants to get it paid off-

A7  
Look out kid, it's something you did,

Em / E  
God knows when but you're doing it again  
Better duck down an alleyway,  
Looking for a new friend.

B  
A man in a coonskin-cap in a pig-pen

Em / E  
Wants eleven dollar bills, and you only got ten.

[A7 w/ harmonica]

Em / E  
Maggie comes fleet-foot,  
Face full of black soot  
Talking that the Heat put  
Plants in the bed, but  
The phone's tapped anyway.  
Maggie says that many say  
They must bus in early May,  
Orders from the D.A.

A7  
Look out kid, no matter what you did,

Em / E

Walk on your tip-toes,  
Don't tie no bows,  
Better stay away from those  
Who carry around a fire hose.

B  
Keep a clean nose,  
Wash your clean clothes,

Em / E  
You don't need a weatherman  
To know which way the wind blows.

[A7 w/ harmonica]

Em / E  
Get sick, get well,  
Hang around an ink well,  
Hang a bell, hard to tell  
If anything's gonna sell  
Try hard, get barred,  
Get back, ride the rails,  
Get jailed, jump bail,  
Join the army if you fail

A7  
Look out kid, you're gonna get hit

Em / E  
By users, cheaters, six-time losers  
Hanging around the theaters.

B  
The girl by the whirlpool's  
Looking for a new fool,

Em / E  
Don't follow leaders  
Watch the parking meters.

[A7 w/ harmonica]

Em / E  
Get born, keep warm,  
Short pants, Romance  
Learn to dance, get dressed,  
Get blessed, try to be a success.  
Please her, please him,  
Buy gifts, don't steal, don't lift,  
Twenty years of schooling  
And they put you on the day shift.

A7  
Look out kid, they keep it all hid.

Em / E

Better jump down a man-hole,  
Light yourself a candle.  
Don't wear sandals,  
Try to avoid the scandals.

B

Don't want to be a bum,  
You better learn to chew gum

Em / E

The pump don't work  
Cause the vandals took the handles!

(you can end here or repeat the first verse and end on "God knows what  
you did...")
