

Whisky Lullaby by Brad Paisley/Alison Krauss

Intro: Bm G

She put him out like the burning end of a midnight cigarette
A D G Bm
She broke his heart he spent his whole life trying to forget
Bm A D
We watched him drink his pain away a little at a time

But he never could get drunk enough to get her off his mind
A
Until tonight...

Chorus 1:

He put that bottle to his head and pulled the trigger
Bm A G
And finally drank away her memory
D A
Life is short but this time it was bigger

Than the strength he had to get up off his knees
D A
They found him with his face down in the pillow
Bm A G
With a note that said I'll love her til I die
D A
And when we buried him beneath the willow
G Bm
The angel's sang a whiskey lullaby
Bm G
La la la la la la la, La la la la la la la

La la la la la la la, La la la la la la la

The rumors flew but nobody knew how much she blamed herself
