Intro: A

A  
I was standing

F#m

All alone against the world outside

D

You were searching

E

For a place to hide

A

Lost and lonely

F#m

Now you given me the will to survive

D E A

When we're hungry... love will keep us alive

A

Don't you worry

F#m

Sometimes you've just gotta let it ride

D

The world is changing

E

Right before your eyes

A

Now I've found you

F#m

There's no more emptiness inside

D E A

When we're hungry... love will keep us alive

D  
I would die for you  
F#m  
Climb the highest mountain  
Bm E-D-C#m-B  
Baby, there's nothing I wouldn't do

A  
Now I've found you  
F#m  
There's no more emptiness inside  
D E A  
When we're hungry... love will keep us alive

D
