

I Walk The Line by Johnny Cash

1 **B7** **A** **E** **E7**

D **A7** **G**

Chord diagrams include fingerings (1-4) and Roman numerals (III, V). Some diagrams have 'X' for muted strings and 'O' for open strings.

Pattern: D, D, D, DU

Note: This song has been taken directly from the transcription. I recommend having a bass player to fill out the song if you have the option to do so. The notes between (the picked notes) are accurate based on tablature transcription. It's just a little strange to play without any additional musicians.

Capo Fret 1

Intro:

Note: The easiest way to play this riff is by using the same fingers as the notes.

For example:

Fret 2 = Finger 2

Fret 4 = Finger 4

However, feel free to adjust your fingerings to comfort.

0 2 4 0 0 0 2 4 0 0 0 4 2 0
