Intro: Dm - Dm(maj7) - Dm7 - Dm6 - Gm7 - A7

Dm            Dm(maj7)    Dm7  Dm6
If I could save time in a bottle,
     Gm7                       A7
The first thing that I'd like to do
       Dm        Dm(maj7)   Dm7    Dm6      Gm7
Is to save every day 'til eternity passes away,
                               A7
Just to spend time (them) with you.

   Dm           Dm(maj7)    Dm7  Dm6
If I could make days last forever,
    Gm7              A7
If words could make wishes come true,
     Dm        Dm(maj7)  Dm7         Dm6
I'd save every day like a treasure and then
 Gm7                          A7
Again I would spend them with you.

Chorus:
             D             Dm7
But there never seems to be enough time
   Dm6                D                 G       Gmaj7 - Em7 - A7
To do the things you want to do once you find them
       D           Dm7
I've looked around enough to know
      Dm6                D               G       Gmaj7 - Em7 - A7
That you're the one I want to go through time with.

   Dm       Dm(maj7)   Dm7  Dm6
If I had a box just for wishes,
    Gm7                       A7
And dreams that had never come true,
     Dm        Dm(maj7) Dm7         Dm6
The box would be empty except for the memory of
Gm7                        A7
How they were answered by you.

[Repeat chorus and end on Dm]
