   D  A  G   D  A  G          D                        A
I run……from hate………I run from prejudice, I run from pessimists
      G                  D A G  D    A        G
But I run too late. I run………my life, or is it running me?

Run from my past
    A                G
I run too fast or too slow it seems
        A            G
When lies become the truth
        A            G
That's when I run to you

Chorus:

This world keeps spinning faster
A                         G
Into a new disaster so I run to you
G
I run to you baby
D
And when it all starts coming undone
A                          G
Baby you're the only one I run to
G         D A G
I run to you

      D A G   D  A  G
We run…………on fumes
        D
```

```
Your life and mine
            A
Like the sands of time
             G
Slippin' right on through
         A                  G
And our love's the only truth
        A              G
That's why I run to you

(Chorus x2)
