```
        [NC]           C
        Oh well, I'm tired and so weary
                F       C
        But I must go alone
                C               D7              G       G7
        Till the lord comes and calls, calls me away, oh yes
                C
        Well the morning's so bright
                F       C
        And the lamp is alight
                C               D7              G       G7
        And the night, night is as black as the sea, oh yes
                F                               C
        There will be peace in the valley for me, some day
                C               D7          G               G7
        There will be peace in the valley for me, oh Lord I pray
                        C           C7
        There'll be no sadness, no sorrow
```

  There will be peace in the valley for me, for me

Well the bear will be gentle
         F         C
And the wolves will be tame
            C            D7        G        G7
And the lion shall lay down by the lamb, oh yes
        C
And the beasts from the wild
        F        C
Shall be lit by a child

                 C                          D7          G       G7
And I'll be changed, changed from this creature that I am, oh yes
              F                         C
  There will be peace in the valley for me, some day
                 C            D7        G            G7
  There will be peace in the valley for me, oh Lord I pray
                 C            C7
  There'll be no sadness, no sorrow
     F                    D7
  No trouble, trouble I see
                 C              D7    G7  C    F    C
  There will be peace in the valley for me, for me
