A Day In The Life – The Beatles

Tempo:  NA

Strumming Pattern: DDD, DU (for the main theme)

When you get to the chord change to E, you'll need to strum like this: DU, UDUD

This is one of those songs that everything is pretty easy until you get to the change. I couldn't use a click-track because my click track only works in basically 4/4 time. I CAN change it, but it would require me to change it mid-song, which is relatively impossible.

Chords Used:

E
Woke up, fell out of bed
                        Dsus2
Dragged a comb across my head

Found my way downstairs and drank a cup

And looking up I noticed I was late (ha ha ha.)
            E
Found my coat and grabbed my hat
                    Dsus2
Made the bus in seconds flat
        E               B7
Found my way upstairs and had a smoke

They had to count them all
Em                          Em7                        C
Now they know how many holes it takes to fill the Albert Hall

I'd love to turn you on.
