Tried to amend my carnivorous habit..
 G            A        D
made it nearly seventy days....
       G              A                D
Losin' weight without speed eating sunflower seeds,
    E                              A
drinking lots of carrot juice and soakin' up rays.
        G          A              D
But at night I'd have these wonderful dreams...
 G          A        Bm
some kind of sensuous treat...
        G        D            G      D
Not zucchini, fettucini, or bulgar wheat, but a
 G         D        A          D
big warm bun and a huge hunk of meat!
     G     A       D
Cheeseburger in paradise....
 G          A              D
Heaven on Earth with an onion slice..
 G            A          D
Not too particular, not too precise I'm just a
 G       D        A  D
cheeseburger in paradise.

    G              A            D
Heard about the old time sailor men
              G        A        D
they eat the same thing again and again.
      G                  A              D
Warm beer and bread they say could raise the dead
```

          E                                A
well it reminds me of a menu at a Holiday Inn.
    G        A            D        G
Times have changed for sailors these days
   (G)            A          Bm
when I'm in port I get what I need.
            G        D          G      D
Not just Havanas or bananas or daiquiris
              G     D         A     D
but that American creation on which I feed!
   G     A        D
Cheeseburger in paradise....
  G      A            D
Medium rare with mustard be nice.
  G      A            D
Heaven on Earth with an onion slice I'm just a
  G    D          A  D
cheeseburger in paradise.

I like mine with lettuce and tomato, Heinz 57 and
french-fried potatoes. Big kosher pickle and a cold
draft beer, well good God almighty which way do I
steer?  (For my.....)

      G     A         D
Cheeseburger in paradise....
  G      A             D
Makin' the best of every virtue and vice.

Worth every damn bit of a sacrifice to get a
