Verse:

```
Dm       Bb                 F        C
Do you know what's worth fighting for,
Dm           Bb        F       C
When it's not worth dying for?
Dm        Bb         F        C
Does it take your breath away
Bb                          C
And you feel yourself suffocating?
Dm          Bb         F        C
Does the pain weigh out the pride?
Dm           Bb        F        C
And you look for a place to hide?
Dm        Bb                F       C
Did someone break your heart inside?
Bb                         C
You're in ruins
```

Chorus:

```
F    C   D
One, 21 guns
```

You and I
```

Verse:

```
Dm           Bb      F        C
When you're at the end of the road
Dm       Bb       F        C
And you lost all sense of control
Dm          Bb          F           C
And your thoughts have taken their toll
Bb                                 C
When your mind breaks the spirit of your soul
Dm    Bb              F    C
Your faith walks on broken glass

And the hangover doesn't pass

Nothing's ever built to last

Did you try to live on your own

When you burned down the house and home?

Like a liar looking for forgiveness from a stone
