Don't Think Twice, It's Alright - Bob Dylan
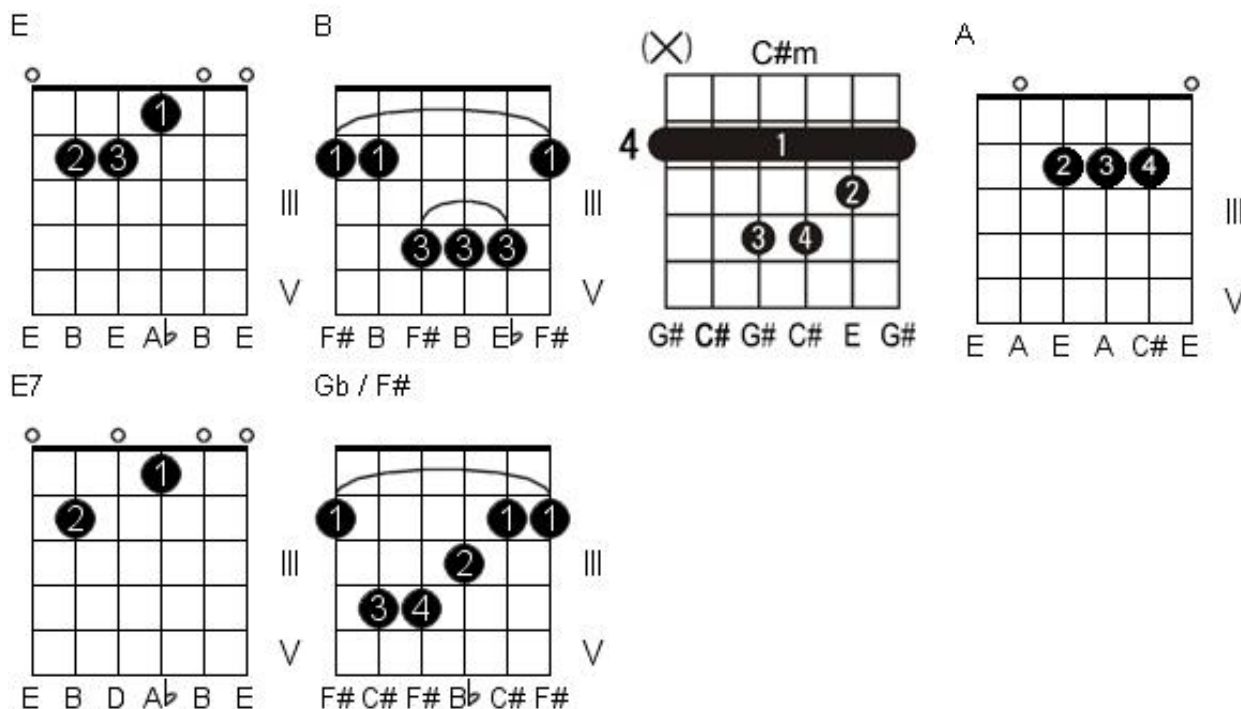

Pattern: D, D, D, DU

E - B - C#m - A | E - B - E

E ....B....................C#m
Ain't no use to sit and wonder why, babe,
A..........E...........B
It don't matter anyhow.
E...C#m
Ain't no use to sit and wonder why, babe,
F#..............................B
If you don't know by now.
E...E7
When your rooster crows at the break of dawn,
A.......................................F#
Look out your window, baby, I'll be gone.
E.............B.......................C#m.....A
You're the reason I'll be traveling on.
E.................B...................E
Don't think twice, it's all right.

E ....B....................C#m
Ain't no use in turning on your light, babe,
A.........E...........B
The light I never knowed.
E...C#m

Ain't no use in turning on your light, babe,
F#............................B
I'm on the dark side of the road.
E.......................................E7
Still I wish there was something you would do or say,
A.....................................F#
Trying to make me make my mind up and stay.
E............B......................C#m.....A
We never did too much talking anyway.
E................B.................E
Don't think twice, it's all right.

Additional Verses:

Ain't no use in calling out my name, babe,
Like you never did before.
Ain't no use in calling out my name, babe,
Lord, I can't hear you anymore.
I'm thinking and wondering all the way down the road.
I once loved a woman, a child I'm told.
Gave her my heart, but she wanted my soul.
Don't think twice, it's all right.

Walking down that long lonesome road, babe,
Where I'm bound, I can't tell.
Goodbye is too good a word, yeah,
So I'll just say fare thee well.
I ain't saying you treated me unkind.
You could've done better, baby, but I don't mind.
You just kind of wasted my precious time.
Lord, but don't think twice, don't think twice, it's all right.
