VERSE 1

```
Em           Am              Em
No sun will shine in my day today (no sun will shine)
                  Am                     D
The high yellow moon won't come out to play (that high yellow moon won't
come out to play)
           C                    Em
I said (darkness) darkness has covered my light
      C                            Em
(and has changed) and has changed my day into night, yeah
      G                    D
Where is the love to be found?
                           Em                    Am        Em
Won't someone tell me? cause life (sweet life) must be somewhere to be
found (must be for me)
```

CHORUS

```
             (Em)
Instead of concrete jungle
Where the living is hardest
Concrete jungle
Man you got to do your best
```

Additional Lyrics:

No chains around my feet,
But I'm not free, oh-ooh!
I know I am bound here in captivity;
G'yeah, now – (never, know) I've never known happiness;
(never, know) I've never known what sweet caress is –

Still, I'll be always laughing like a clown;
Won't someone help me? 'Cause I (sweet life) -
I've got to pick myself from off the ground
(must be somewhere for me), he-yeah! -
