## Verse:

```
C/G                      D/F#  
So, so you think you can tell  
           Am  
Heaven from Hell,  
           G  
Blue skies from pain?  
           D  
Can you tell a green field  
           C  
From a cold steel rail?  
           Am  
A smile from a veil?  
           G  
Do you think you can tell?  
  
           C/G  
Did they get you to trade  
           D/F#  
Your heroes for ghosts?  
           Am  
Hot ashes for trees?  
           G  
Hot air for a cool breeze?  
           D  
And cold comfort for change?
```

C  
Did you exchange  
                  Am  
A walk on part in the war,  
                  G  
For a lead role in a cage?

          C/G                          D/F#  
How I wish, how I wish you were here.  
                  Am  
We're just two lost souls

Swimming in a fish bowl,  
          G  
Year after year,  
                  D  
Running over the same old ground.

                  C  
What have we found  
                  Am  
The same old fears.  
                  G  
Wish you were here.

(then play EZ intro chords and end on G)
