

Doctor My Eyes by Jackson Browne

Capo on 1st fret, all chords are relative

[Verse]

E
Doctor, my eyes have seen the years
 G#m C#m
And the slow parade of fears without crying
 A E
Now I want to understand

I have done all that I could, to see the evil and the good
without hiding. You must help me if you can

[Chorus]

C#m E
Doctor, my eyes, tell me what is wrong
 C#m B A, E, D/E, A/E, E
Was I unwise to leave them open for so long

[Verse]

E
'Cause I have wandered through this world
 G#m C#m
And as each moment has unfurled, I've been waiting
 A E
to awaken from these dreams

People go just where there will, I never noticed them until
I got this feeling, that it's later than it seems

[Chorus]

C#m E
Doctor, my eyes, tell me what you see
C#m B D/E**, A, (E,D/E,A/E,E rept)
I hear their cries, just say if it's too late for me

[Instrumental break]

[Chorus]

C#m E
Doctor, my eyes cannot see the sky
C#m B A, E,D/E, /E, E
Is this the prize for having learned how not to cry

Doctor My Eyes by Jackson Browne

*D/E. Played on an acoustic guitar, this sounds more like the piano chord when the form is played from 2nd position and extended over 3 frets. Notes: E, A, F#, A, D, F#
