Everybody knows  
**F** **A5** **D Csus2 G5**  
But no-one's saying nothing.  
**F** **A5 D Csus2 G5**  
It was a sound so very loud

That no-one can hear.

I got something in my shoe,

It's keeping me from walking  
**F** **A5 D Csus2 G5**  
Down the long and winding road  
**F** **A5 D Csus2 G5**  
And back home to you.

# Roll With It

Words & Music by  
Noel Gallagher

## Intro

## Chorus 1

You gotta roll with it,  
 You gotta take your time,  
 You gotta say what you say,  
 Don't let anybody get in your way,  
 'Cause it's all too much  
 For me to take.

## Verse 1

Don't ever stand aside,  
 Don't ever be denied,  
 You wanna be who you'd be  
 If you're comin' with me.  
 I think I've got a feelin' I've lost inside,  
 I think I'm gonna take me away and hide,  
 I'm thinkin' of things that I just can't abide.

### Bridge 1

F G  
I know the roads down which your life will drive,  
F G  
I'll find the key that lets you slip inside.

*Intro* | G | G | G | G ||

*Verse 1* G  
Found what I'd lost inside,  
  
My spirit has been purified.  
  
Take a thorn from my pride,  
  
And hand in hand we'll take a walk outside.

*Chorus 1* Gm/Bb  
Thank you for the sun,  
A7sus4 Cadd9 G/B  
The one that shines on everyone who feels love.  
Gm/Bb  
Now there's a million years  
A7sus4 G  
Between my fantasies and fears, I feel love.
