

You Shook Me All Night Long by ACDC

[Verse]

G C
She was a fast machine, she kept her motor clean
D G
She was the best damn woman I had ever seen
C
She had the sightless eyes, telling me no lies
D G
Knockin' me out with those American thighs

G C
Taking more than her share, had me fighting for air,
D G
She told me to come, but I was already there
G C
'Cause the walls start shaking, the earth was quaking
D D7
My mind was aching, and we were making it

[Chorus]

G C G D C D
And you shook me all night long
G C G D C D
And you shook me all night long

[Verse]

G C
Working double time on the seduction line
D G
She was one of a kind, she's just mine, all mine
C
She wanted no applause, just a nother course
D G
Made a meal out of me and came back for more

G C
Had to cool me down to take a nother round,
D G
Now I'm back in the ring to take a nother swing.
G C
'Cause the walls start shaking, the earth was quaking
D D7
My mind was aching, and we were making it

[Chorus]

G C G D C D
And you shook me all night long
G C G D C D
And you shook me all night long
G C G D C D
And you shook me all night long
G C G D C D D7 G
And you shook me all night long
